**Credit Guidelines**

To receive credit, the teacher/administration must satisfy the following requirements:

1. Must possess a bachelor's degree in a field directly related to the subject area.
2. For courses that are articulated to a community college academic transfer course, the teacher must possess a master's degree, plus eighteen academic credit (18) hours.
3. The school district must maintain teacher certification records on file at the school district.
4. Must be able to assure and verify to the community college dean that the articulated high school course is being taught at the community college level.

To receive credit, the student must satisfy the following requirements:

1. Must meet all NTCC admission requirements.
2. Must have graduated from high school.
3. Must have an approved NTCC AAS Business Management Degree Plan.
4. Must have completed the specified high school course (s) with a minimum grade of 80.
5. Be currently enrolled at NTCC and have completed twelve (12) semester hours of credit.
6. Petition for college credit within fifteen (15) months from date of high school graduation.
