03580800 TAWEBMAS-Web Mastering (1) Grade 10-12	IMED 1316 Web Page Design I (3)
03580200 TACS1-Computer Science I (1) Grade 9-12 AND 12022700 TELE/NET-Telecommunications and Networking (1) Grade 10-12	ITNW 1325 Fundamentals of Networking Technologies (3)

Credit Guidelines

To receive credit, the teacher/administration must satisfy the following requirements:

1. Must possess a minimum of an associate degree in a field directly related to the subject area (bachelor's degree preferred).
2. For courses that are articulated to a community college academic transfer course, the teacher must possess a master's degree, plus eighteen academic credit (18) hours.
3. The school district must maintain teacher certification records on file at the school district.
4. Must be able to assure and verify to the community college dean that the articulated high school course is being taught at the community college level.

To receive credit, the student must satisfy the following requirements:

1. Must meet all TC admission requirements.
2. Must have graduated from high school.
3. Must have an approved TC AAS Computer Technology & Information Systems Degree Plan.
4. Must have completed the specified high school course (s) with a minimum grade of 80.
5. Be currently enrolled at TC and have completed twelve (12) semester hours of credit.
6. Petition for college credit within fifteen (15) months from date of high school graduation.

For _____ ISD

For **Texarkana College**

Director, Career & Technology Date

Dean, Occupational/Tech. Programs Date

Principal Date

Upper East Texas T.P. Director Date

Superintendent Date

President, Texarkana College Date

- Articulation Agreements must be renewed after three (3) years.
